

Interest Crediting Rate Updates and New Inforce Interest Rate Flyers Now Available

Effective **July 25, 2020**, we will be making some updates to interest crediting rates on our Index Universal Life (IUL) products.

Update Summary:

Below is a summary of the rates and accounts affected by this update for currently sold products. For complete rate update details and portfolio summary, please review interest rate flyers.

- Blend Participation Rate Account ([MLSB](#)) and Global Blend Participation Rate Account ([PIMCO](#)) will see increases
- S&P 500 Cap and Participation Rates will see some decreases

Fixed account and new index segments established on or after July 25, 2020 will receive the new rates.

New Interest Rate Flyers for Inforce Index Universal Life!

Flyers with inforce IUL interest rates are now available to better support and service our Distribution Partners and Policy Owners.

Pending Cases in New Business

Our New Business Department will contact you for any cases that will require new illustrations to complete the issue process.
