

## Update to Foreign National delivery requirements

Limited Power of Attorney (POA) is now acceptable for completion of delivery requirements on certain Foreign National cases.

Please note the following guidelines:

- Applies to **Category 3 Foreign National** cases only.
- Limited to **Indexed Universal Life (IUL)** products with a minimum of target funding.
- Request to use a limited POA will be considered on a **case-by-case basis**. The request will be reviewed after the policy is approved.
- Request must be made using the new **Corebridge-specific Limited Durable Power of Attorney form** (AGLC202194), which is now available in Forms Depot.
- **Non-medical amendments, ratings, and simple statement of health** can be attested to by the POA.
- **Any specific medically related amendments** must be signed in-person, in the United States, by the insured, and would eliminate POA eligibility.

All other elements of the Foreign National application process including solicitation, application and completion of all required evidence must be completed in the United States, in a state where both the company and financial professional are licensed.

Please contact your Corebridge Underwriting representative if you have questions.
